3-10-90 1230hrs, I contacted Michael Nemelka at a payphone in Monroe, he explained that he had left Wash. on 3-6, and just returned from Utah. He was concerned about his sons mental health, and some threats his son Made on 3-6-9. His son Chris told him that he would not let his wife see their two children, and that he would kill them, himself, and anyone else that tried to take them from him. Michael said that Chris behavior changes, he gets excited [redacted] says that he is a prophet & god, and talks to him regularly.

He said that Chris keeps a rifle 30-06, and a .357 pistol, somewhere in the store. He also said plans on leaving for Canada with his present wife and their four children.

With Michael Nemelka, in his vehicle, was Chris' first wife, he said that as soon as we took Chris into custody they would take her two children and flee to Utah. He said that Chris' present wife Jackie was fearful of Chris, and she would take their two children as soon as we took him into custody and also flee for Utah.

At approx. 1400 hrs. I contacted Chris at his place of business, Walts Milk House, Sgt. R. Maras assisted w/ Dep. T. Green. We found Chris very stable, intelligent and discussed his father's accusations. Chris said that his family has been against him ever since he left their religion, and accepted another. He said he owned a .22 rifle at home, had never owned a .357 or a 30-06. He has never told anyone he would harm his children and he never would.
